

CMM strives for high standards in all aspects of our service delivery. We welcome feedback on our services. Such feedback is invaluable in helping us evaluate and improve our work.

AIM

This policy sets out our approach to handling complaints. It aims to support and advise individuals, agencies and organisations who access our services or with whom we work.

DEFINITION OF A FORMAL COMPLAINT

A formal complaint is any expression of dissatisfaction by an individual, whether justified or not. An individual may make a formal complaint if they feel CMM has:

- Failed to provide a service or an acceptable standard of service or made a mistake in the way the service was provided.
- Failed to act in a proper way

and they wish it to be treated as a Formal Complaint.

PRINCIPLES

1. CMM is committed to providing high quality services to all our clients, and to the agencies and organisations with whom we work.
2. We recognise that the clients, agencies and organisations we work with have the right to make complaints about our services.
3. Our complaints procedure is open to everyone who receives or requests a service from CMM and to people acting on their behalf.
4. We take all complaints seriously and commit to looking into them promptly, and to seeking resolution as quickly as possible.
5. We are committed to providing clear, easily accessible information on how to make a complaint.
6. We will listen carefully to complaints and treat these as confidential, where possible.
